

# Information for Churchyard Visitors

## UNAUTHORISED ITEMS IN ALL AREAS

It is our intention to make the Churchyard a beautiful, natural and safe environment. We can only do that with your help which is why we ask that you do not place certain items on the grave.

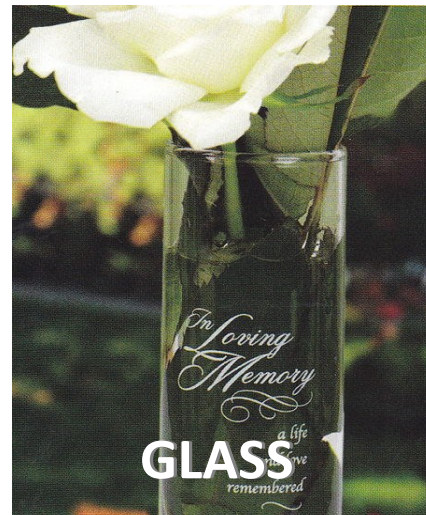

Below are some images of items which are not allowed unless written approval has been given.

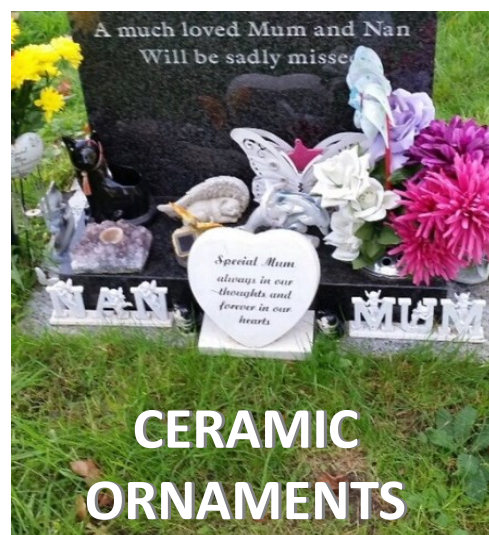

SPIKED VASE

LANTERNS

GLASS

CERAMIC  
ORNAMENTS

CHIPPINGS/  
KERBS

ARTIFICIAL  
GRASS

## GRASS CUTTING

Graves are laid to lawn and plants and shrubs must not be planted within the grave space. To allow grass cutting to be undertaken or for safety reasons it is important that nothing is put on the grass that make it difficult for us to maintain the churchyard effectively.

All items should be placed on the memorial itself or adjacent to it.

Unauthorised items will be removed by the Churchyard staff and sensitively disposed of. To avoid any distress please do not place such items on the grave.
